The All Armenian Evangelical Youth Conference leader will be Rev. Hovhanes Hovsepyan of the Evangelical Church of Armenia, along with a leadership team from Armenia and all around the world. Rev. Hovsepyan has worked hard on the preparations for the conference. You can connect with the conference at aec175youthconference@eca.am regarding all that is relevant and necessary. Regional contacts and liaisons are lined-up to assist applicants in their needs.

Pastors or youth leaders can help identify and encourage youth in congregations to benefit from this program, spread the word through pulpit, print and on-line announcements.

Along with the above-mentioned activities and subject to public interest expressed under the circumstances, AMAA is organizing an Armenia Tour, which will be announced separately.

Please keep these plans in your prayers, that almighty God would draw us all closer to him, fill our youth with a vision for ministry, and through them, bring new vitality and direction to the Armenian Evangelical Church and to our nation, for the glory of God.

Sincerely,

Zaven Khanjian
Executive Director/CEO
